

Chad & Crystal Gibbons

WHO WE ARE

MICHIGAN

We have been married since 2001 and living in Michigan.

Before becoming missionaries we were pastoring a church in Howell, Michigan where we both grew up.

2 KIDS

Our daughter, Alaina is a sophomore at Arkansas State University where she is studying Music Education.

Our son, Carson is a freshman at Mount Vernon Nazarene University studying Environmental Biology.

Chad and Crystal felt called to serve the church through Global Missions in 2021. They were asked to go to the Eurasia North Field, Chad as the Field Finance Coordinator and Crystal as the Nazarene Compassionate Ministries and Work & Witness Coordinator. After living in Kyiv, Ukraine for about 7 months, the war began and they have been displaced ever since. Living in Germany and Armenia for the last 2 years, while still serving the churches in Ukraine as well as their field as been a challenge but they have seen God move in miraculous ways!
